

Helping Hands from St. John's

The communications committee has discussed the possibility of forming a group of "Helping Hands" from St. John's. Members of this committee would be available to provide meals, lawn mowing/snow removal, transportation, even limited child care or pet care—whenever there is a short-term need or situation challenging a member of our parish family. We would like to establish a phone or e-mail chain format that could easily be activated by communication from the parish office. We all have different gifts that we can share (teenagers, too!) and it would be another way to bring us closer as a parish family. If you would like to be part of "Helping Hands," please send your name, address, phone number, e-mail address and what services you would be willing to provide (as well as any questions you may have) to Anne Moul, ADMoul@comcast.net, 767-7021 or send the form below to the parish office. We hope to have this in place by September.
